ABOUT DEFENCE COLLECTIVE SINGAPORE

Defence Collective Singapore (DCS) champions our defence story through immersive galleries and engaging experiences, to inspire everyone to defend what it means to be Singaporeans: our home, our identity and our way of life. A defence-inspired museum collective, DCS pays homage to Singapore's resolve and determination, and its journey which has brought the nation to where it is today. The museums include Singapore Discovery Centre and Singapore Navy Museum.

SINGAPORE DISCOVERY CENTRE

Hear the past, touch the present and see the future at Singapore Discovery Centre (SDC)! From discovering new perspectives about Singapore at interactive galleries: Through the Lens of Time and Sandbox, to dynamic activities such as laser tag and escape room - an exhilarating experience awaits you at SDC!

SINGAPORE NAVY MUSEUM

Join the Singapore Navy Museum (SNM) on an enriching voyage through the rich history of the Republic of Singapore Navy (RSN), a *Maritime Force for a Maritime Nation*. Journey through the RSN's evolution and explore how it has played a critical role in keeping our waters safe and secure through immersive exhibits and artefacts - including original equipment from the RSN's Challenger-class submarine.

COMMEMORATIVE DAY: TOTAL DEFENCE DAY

LEARNING OBJECTIVES

1. Understand the progress of Total Defence over the years and illustrate how it has contributed to our country's development.
2. Understand how the 6 pillars of Total Defence contribute to building a strong, safe and cohesive nation in the face of new threats.
3. Instill a sense of confidence and commitment to Singapore and reflect how everyone has a part to play in Total Defence.

DURATION

3 hours (Inclusive of break)

NO. OF PARTICIPANTS

Min. 25 pax (per class)

Cohort visits are highly recommended.

Let's come together to solidify our commitment to how we can keep Singapore strong! Singapore has come a long way, surpassing tribulations, and overcoming different hurdles during her journey forward to the thriving city that she is now. We look back on the 40th year of Total Defence by participating in various immersive activities to learn how to apply the six pillars of Total Defence and how we can play a part in the defence of Singapore.

COMMEMORATIVE DAY: YEAR-END POST EXAMINATIONS PROGRAMME

LEARNING OBJECTIVES

1. Appreciate how innovation has played a key role in shaping Singapore.
2. Inspire students on how they can contribute to a future-ready Singapore.
3. To adopt more environmentally-conscious choices in the way they live, work and play.

DURATION

3 hours (Inclusive of break)

NO. OF PARTICIPANTS

Min. 25 pax (per class)

Cohort visits are highly recommended.

SDC

Understanding Sustainability through play. As Singapore works towards being a sustainable country in different aspects, students get to learn on how they can do their part in shaping Singapore's sustainable future. Students will come together and express their inner creativity and innovations at our Year-End Post Examinations Programme!

COMMEMORATIVE DAY: RACIAL HARMONY (ASSEMBLY PROGRAMME)

LEARNING OBJECTIVES

1. Increase awareness of the fragility of Singapore's racial and religious relations.
2. Pledge how we can contribute to build a cohesive united Singapore regardless of race, language, or religion.

DURATION

1 hour

NO. OF PARTICIPANTS

Min. One cohort (per session)

Max. Whole School (per session)

This highly interactive programme aims to highlight the potential fault line of racial and religious relations in Singapore and therefore, the importance of maintaining racial harmony in our everyday lives.

Showcasing our multicultural and inclusive society, the Racial Harmony (Assembly Programme) utilises current issues and developments in society to get the conversation going about racial and religious issues in Singapore. Through this facilitated session, students will be encouraged to think about how they can contribute to maintaining our racial harmony in their everyday actions.

CONTEMPORARY SOURCES INVESTIGATORS (CSI): INCLUSIVITY

LEARNING OBJECTIVES

1. Investigate and evaluate information gathered from authentic sources within Singapore context.
2. Explore how we can become active citizens and strong advocates for the addressed issue.
3. Better understand and appreciate different perspectives, contemporary issues and current challenges to Singapore.

DURATION

3 hours (inclusive of break)

NO. OF PARTICIPANTS

Min. 25 pax (per session)

Max. 40 pax (per session)

Be an active citizen by investigating contemporary issues in Singapore and designing solutions to resolve pertinent issues that challenge our nation!

Students will be introduced to a contemporary issue in Singapore. In teams, they will explore selected exhibits in Singapore Discovery Centre to gather additional information related to the issue. They will then interpret the sources and information collected as a whole, and piece together the different perspectives to form a well-rounded understanding of the issue. Finally, teams will devise relevant solutions to address the issue while simultaneously considering the different impacts that the proposed solutions will have on different members of society.

SDC

OUR SG STORY GUIDED TOUR

LEARNING OBJECTIVES

1. Learn and appreciate the Singapore Story and how Singapore's 'Can-Do' spirit has transformed our nation.
2. Learn more about the importance of National Service and appreciate the role of the Singapore Armed Forces (SAF) in the defence of Singapore.
3. Discover insights into Singapore's fundamentals, values and way of life.

DURATION

3 hours (inclusive of break)

SDC

Discover the Singapore Story and learn how challenges and crisis have shaped Singapore's successes today. In addition, the guided tour also encourages participants to reflect on our role in Total Defence and reinforces our confidence in the future of our Little Red Dot.

SDC GUIDED TOUR + NE FILM

Learn more about the challenges that Singapore has experienced and how it shaped our success today. Reflect on how everyone has a part to play in creating our future SG and to have confidence in this Little Red Dot's future. Students will be led through a multi-sensory experience that will engage their hearts and minds.

SAFTI MI BUS TOUR

Hop onto our electric bus for an exclusive tour of SAFTI Military Institute - an 88-hectare training ground for officers-to-be. This closed facility will be available for our special tour and will offer a unique glimpse into the life of an officer cadet and will emphasise the importance of National Service.

LIGHTS, CAMERA, ACTION!

LEARNING OBJECTIVES

1. Appreciate local youth productions and how they can be an effective medium to discuss contemporary issues in Singapore.
2. Reflect on how one can contribute to Singapore's future.

DURATION

1 hour

NO. OF PARTICIPANTS

Min. 1 cohort

Max. Whole school

OUTREACH

DIGITAL

DIY
PACKAGE

Dive deeper into contemporary issues in Singapore through the mighty lens of locally-produced short films!

This programme leverages on high quality short films to facilitate the discussion and exploration of contemporary issues relevant to the current national landscape. These student-produced films are part of an annual collaboration between Singapore Discovery Centre and local polytechnics. There are various film titles to choose from and they can be classified into different categories - defence and security, racial harmony, globalization, inclusivity and familial ties.

A GRAVE DISCOVERY

LEARNING OBJECTIVES

1. Understand and appreciate Singapore's past through the exploration of significant historic sites and landmarks.
2. Appreciate Singapore's journey in becoming the successful and independent country that she is today.

DURATION

1.5 hours

NO. OF PARTICIPANTS

Min. 35 pax (per session)

Max. 40 pax (per session)

OUTREACH

Delve deeper into Singapore's past through an exciting journey exploring historic sites in and around Fort Canning!

Students will embark on a self-guided game-based outdoor trail which allows them to explore the significant historic sites and landmarks in and around Fort Canning. This trail will take them on a thrilling journey that requires them to put on their creative thinking caps to solve puzzles or complete challenges to navigate from one station to the next.

YOURS, CULTURALLY

LEARNING OBJECTIVES

1. Appreciate and embrace Singapore's rich multi-cultural society.
2. Understand the importance of racial harmony and social cohesion.
3. Foster teamwork and collaborative skills among participants.

DURATION

4 hours (inclusive of travelling time)

NO. OF PARTICIPANTS

Min. 25 pax (per session)

Max. 80 pax (per session)

OUTREACH

As a Singaporean, we often take the rich culture of Singapore for granted. Let's head back to these racial enclaves and recapture what makes Singapore unique.

Students will meet up with unique characters at various historical districts to complete challenges that are curated to test their understanding of the different facets of Singaporean cultures.

The challenges are designed to not only encourage an understanding of the different cultures in Singapore in terms of their unique food, festivals, and traditional games, but also to foster teamwork, communication and collaborative skills as teams must work together to complete the challenges.

QUEST FOR HARMONY

LEARNING OBJECTIVES

1. Appreciate the unity and diversity of multi-cultural society.
2. Recognise the importance of maintaining the peace and prosperity of living in multicultural and multi-religious Singapore.

DURATION

4 hours (including travelling time)

NO. OF PARTICIPANTS

Min. 30 pax (per session)

Max. 120 pax (per session)

OUTREACH

Go on a journey to understand more about the different religions in Singapore. Learn about their religious and cultural practices in a quest to celebrate our strength in diversity.

Students will visit places of worship and meet religious leaders who will provide a tour as well as share greater insights into the history and cultural practices of the religion. Students are given an opportunity to interact with the religious leaders and cultivate deeper understanding of religions they may not be familiar with.

At the end of the session, students will be encouraged to build respect and empathy for other races.

Schools can choose up to 2 places of worship to visit. A list of locations will be provided upon enquiry.

QUEST ON WHEELS (BUS TOUR)

LEARNING OBJECTIVES

1. Appreciate diversity in Singapore.
2. Understand the importance of maintaining racial and religious harmony in our diverse society.
3. Recognise the importance of teamwork and problem-solving skills.

DURATION

3 hours

NO. OF PARTICIPANTS

Min. 20 pax (per session)

Max. 80 pax (per session)

Uncover stories behind Singapore's street names as participants journey to locations significant to our multicultural heritage. Teams will race their way through culturally rich and fascinating sights of interest in Singapore while completing stimulating puzzles and challenges in order to get clues to locate the hidden treasure buried under one of the many streets in Singapore.

- Interactive and game-based activities at the various locations when participants alight from the bus
- Focuses on stories behind street names in Singapore

OUTREACH

SIMSG EXPRESS

LEARNING OBJECTIVES

1. Explore issues related to the governance of Singapore.
2. Appreciate competing priorities in policymaking and decision-making for Singapore's development and progress.

DURATION

3 hours (inclusive of break)

NO. OF PARTICIPANTS

Min. 4 class (per session)

Max. 8 classes (per session)

Role-play as mayors of Singapore districts and immerse yourselves in this game-based programme! Exercise good governance as you plan and build your district - managing your limited land space effectively.

Students will work in teams to play this game. Each round of the game requires teams to collect and manage various resources to develop their districts. As the gameplay reflects Singapore's development over various decades, teams must decide on the relevant infrastructure to construct to maximise the potential of their districts in that era. Teams must strategise to avoid receiving penalties for water security issues. The team that manages their resources most effectively wins the game.

OUTREACH

FUTURE OF FOOD

LEARNING OBJECTIVES

1. Understand the efforts Singapore is putting in, to secure our food needs.
2. Encourage a culture of sustainability and be empowered to take personal responsibility as active citizens.

DURATION

3 hours (inclusive of break)

NO. OF PARTICIPANTS

Min. 25 pax (per class)

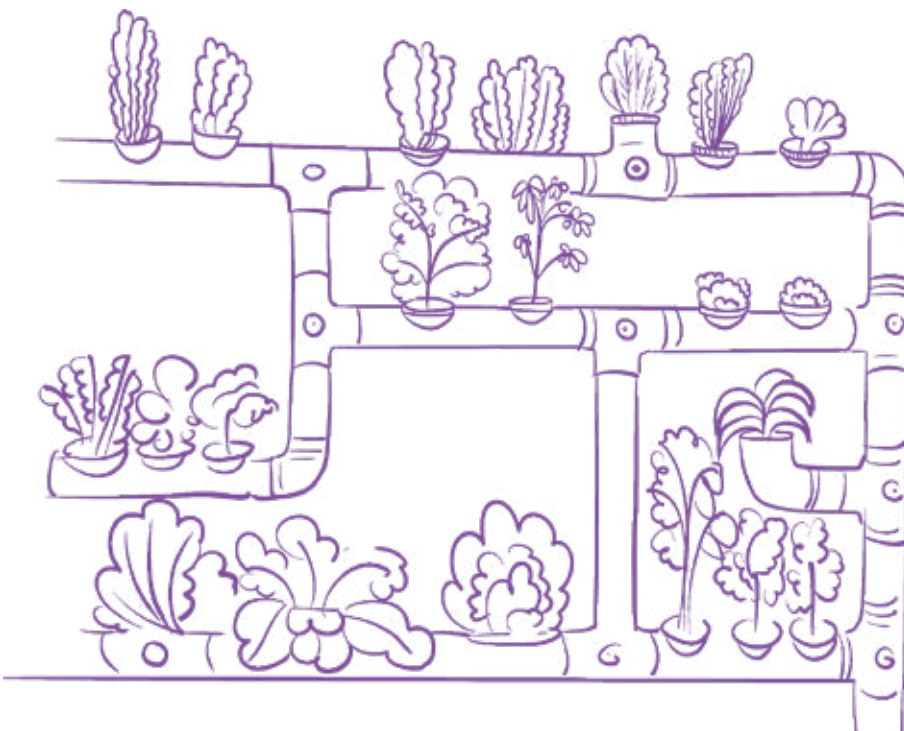

Max. 40 pax (per class)

How does a small country secure its food needs?

Come join us as we explore just how Singapore has planned to feed its citizens and what we can do to contribute to our food security.

- Go on an eco-trail of SDC's very own green initiatives - Urban Garden and Aqua Organic System
- Get a first-hand experience of some of our local produce
- Understand better how Singapore is working to secure our food security
- Design a possible solution to contribute to SG's 30 by 30 goal

WATT'S NEXT?

LEARNING OBJECTIVES

1. Understand the efforts Singapore is putting in, to go green and employ renewable energy.
2. Encourage a culture of sustainability and be empowered to take personal responsibility as active citizens.

DURATION

3 hours (inclusive of break)

NO. OF PARTICIPANTS

Min. 25 pax (per class)

Max. 40 pax (per class)

Join us as we investigate how Singapore is going green with renewable energy! Step up as active citizens and design solutions to resolve this current global issue.

- Go on an eco-trail of SDC's very own green initiatives - Solar Panels
- Investigate how some renewable energy sources work
- Understand better how Singapore employs renewable energy and its impact on us
- Design a possible solution to address an energy concern of today

UNDER SIEGE

LEARNING OBJECTIVES

1. Understand how preserving peace and stability in Singapore always relies on everyone playing an active role and exercising Total Defence.
2. Uncover the meaning of Staying United, Staying Alert and Staying Strong in the SG-Secure Framework.

DURATION

2.5 hours (inclusive of break)

NO. OF PARTICIPANTS

Min. 24 Pax (per session)

Max. 40 Pax (per session)

Each session can accommodate up to 1 class of students.

Students will engage in an in-centre game-based workshop to uncover the meaning of SG-Secure key messages of Staying United, Staying Alert and Staying Strong. Through the scenario-driven role-playing games, students come to realise the dangers of self-radicalisation and learn how citizens can all play an active role in anti-terrorism.

CLASSROOM ACTIVITIES / FILM

Students will be introduced to the SG-Secure framework and uncover the meaning of key messages of Staying United, Staying Alert and Staying Strong. Students will have the opportunity to watch a film which highlights the dangers of self-radicalisation.

LASER TAG

Students will have the opportunity to engage in an exhilarating game of laser tag. The laser tag gameplay demonstrates how Staying Alert and Staying Strong through a terrorist attack scenario can make a difference and exemplify how citizens can play an active role in countering terrorism.

COMMITMENT TO DEFENCE AMBASSADORS (C2DA) ENGAGEMENT

LEARNING OBJECTIVES

1. Understand how maintaining a strong SAF is key to safeguarding Singapore's sovereignty and interests.
2. Recognising how everyone has a part to play in sustaining Singapore's peace and stability.

DURATION

1 hour - 1.5 hours (Inclusive of Q&A)

NO. OF PARTICIPANTS

Min. 1 class

Max. 1 assembly

C2DA engagement is an outreach programme where students get to meet and interact in person or virtually with Commitment to Defence Ambassadors (C2DA) - veteran soldiers who have served on key military operations and played an active role in preserving peace and security in Singapore and beyond.

Schools can choose one of the five topics for the engagement:

- Konfrontasi
- Total Defence
- Importance of National Service
- 1964 Racial Riots
- Overseas Missions

NATIONAL EDUCATION FACILITATORS (NEF) ENGAGEMENT

LEARNING OBJECTIVES

1. To understand the role of the SAF and how individuals can play their part in defending Singapore.
2. To sensitise students on key geo-political issues, threats and challenges to Singapore.
3. To understand the importance of a strong SAF, and the importance of NS.

DURATION

45 mins - 1 hour

NO. OF PARTICIPANTS

Max. 1 assembly

The National Education Facilitators (NEF) programme was established in 1993 and taps on Singapore Armed Forces (SAF) regulars to share on current SAF capabilities and operations as well as Singapore's position on key issues concerning our security, for example, during bilateral disputes. Through cohort-based assembly talks covering a range of topics related to Total Defence, National Service (NS) and defence-related matters, students can attain a deeper understanding on the role of the SAF, as well as gain exposure to key geo-political issues and threats facing Singapore.

The National Education Facilitators are well-equipped to share regarding topics concerning Singapore's security and the current SAF capabilities. The sharing by NEFs can also be tailored to suit the learning needs of schools. Some of the highly requested topics include:

Ops experiences and his/her day-to-day role in the SAF

Importance of Total Defence with emphasis on Military Defence

Importance of National Service

Geo-political environment, and its impact on Singapore (Eg: Singapore-Malaysia dispute)

OPERATION TRIPLE THREAT

LEARNING OBJECTIVES

1. Appreciate the evolving nature of security threats and understand how everyone has a part to play in defending Singapore.
2. Learn about Singapore's history from a defence-centric perspective.

DURATION

2.5 hours - 3 hours

NO. OF PARTICIPANTS

Min. 35 pax (per session)

Max. 120 pax (per session)

Embark on a self-directed game-based outdoor trail and role-play as investigators who need to decipher clues and visit historic sites to foil a bomb threat!

Participants will embark on a self-directed game-based outdoor trail and role-play as investigators on a mission to foil a bomb threat by deciphering clues and visiting four to six different historic sites that are suspected to be the possible location of the soon-to-happen bomb blast. The sites include, but are not limited to, Padang, Central Fire Station and Cenotaph. Using the clues obtained at each site, participants will learn about Singapore's defence history and the complex nature of modern security threats that demands citizens to play a more active role.

OUTREACH

READY & DECISIVE (GAME-BASED PROGRAMME)

LEARNING OBJECTIVES

1. Experience Singapore's rich history and heritage and learn about how the country bounced back from past adversities.
2. Understand the importance of leadership, team work and communication.
3. Encourage participants to work together for a common goal.
4. Reflect on their role in keeping Singapore safe.

DURATION

3 hours

NO. OF PARTICIPANTS

Min. 20 pax

Option 1: Black Lake Laser Battlefield (Laser Tag) - 60 pax

Option 2: Black Lake Facility (Escape Room) - 120 pax

Option 3: Black Lake Laser Battlefield (Laser Tag) & Black Lake Facility (Escape Room) - 50 pax

SDC

Join us on an immersive guided tour from past to present and learn about events which shaped Singapore's National Service and defence philosophy through a short film.

Undergo training in the Black Lake Laser Battlefield before getting drawn into the mysteries behind the Black Lake Facility to find out the fate of five brave soldiers who were on a top-secret military reconnaissance mission.

- Discover new stories and perspectives about Singapore while embarking on an immersive journey from past to present on our gallery tour.
- Watch a short film which gives a portrait of the early years of the Singapore Army through the personal accounts of Singapore Armed Forces veterans who served in the 1960s.
- Pit their skills against each other in teams at the Black Lake Laser Battlefield, with scenarios testing their ability to be vigilant and resilient.
- A multi-sensorial escape room adventure across 13 rooms and 4 story chapters in the Black Lake Facility.

Programme consists of:

- a. Singapore Historic Events - Guided tour of "Through the Lens of Time" and "Sandbox" galleries
- b. Our NS Beginnings - Screening of short film "Blood, Sweat, Tears"
- c. Choice of

Option 1: Black Lake Laser Battlefield (Laser Tag)

Option 2: Black Lake Facility (Escape Room)

Option 3: Black Lake Laser Battlefield (Laser Tag) & Black Lake Facility (Escape Room)

BLACK LAKE SERIES

LEARNING OBJECTIVES

1. Understand the importance of leadership, team work and communication.
2. Encourage participants to work together for a common goal.
3. Reflect on their role in keeping Singapore safe.

DURATION

3 hours

NO. OF PARTICIPANTS

Min. 20 pax

Max. 50 pax

Undergo training in the Black Lake Laser Battlefield before getting drawn into the mysteries behind the Black Lake Facility to find out the fate of five brave soldiers who were on a top-secret military reconnaissance mission.

- The Black Lake Laser Battlefield is the first in Singapore to feature cutting-edge revolutionary projection mapping. Participants can experience a battlefield with interactive changeable combat simulations, and experience different “worlds” (i.e post-apocalyptic, sci-fi) and/or different environment (i.e space/jungle/urban) during their gameplay in the arena.
- Embark on a multi-sensorial escape room adventure across 13 rooms and 4 story chapters in the Black Lake Facility. The use of smart technology such as motion sensors, touch sensors and UV lighting in its puzzle pieces gives participants an out-of-the-world escape room experience.

BRAVO ZULU

LEARNING OBJECTIVES

1. To understand how trade started and how it became a bustling trade port.
2. To understand how busy the Singapore Strait is and why it is important to keep it safe.
3. To learn about the dilemmas and tensions during a maritime contestation.
4. To appreciate the role of RSN in safeguarding Singapore waters.
5. To understand why building strong global and regional friendships is important in protecting our maritime nation.

DURATION

2 hours

NO. OF PARTICIPANTS

Min. 30 pax (2 classes)

Max. 200 pax (4 classes)

SNM

Dive into the Singapore Navy Museum and learn more about our maritime history, the roles and responsibilities of the Republic of Singapore Navy (RSN) and the importance of safeguarding our waters.

Working in groups, students are to locate challenge stations within the Singapore Navy Museum and complete a variety of team-based activities. Each station will have a facilitator who will share some insights about the RSN and guide the students into completing the Navy-related activity.

MISSION IMPOS-SEA-BLE

LEARNING OBJECTIVES

1. Understand the various roles and responsibilities of the Singapore Navy.
2. Appreciate the importance of the maritime domain and the corresponding need for a strong and capable Navy to ensure the safety and security of Singapore's waters.

DURATION

2 hours

NO. OF PARTICIPANTS

Min. 30 pax (per session)

Max. 80 pax (per session)

Embark on a mission of exploration and discovery at the Singapore Navy Museum where you will gain valuable knowledge about our maritime history and a navy officer's life at sea.

Students will learn more about our maritime history and the unique aspects of the Singapore Navy which will encourage them to appreciate the roles and responsibilities of the Singapore Navy in keeping our Singapore waters safe and secure. This also includes a guided exploration of the Singapore Navy Museum.

SNM

N.E.MAZING RACE

LEARNING OBJECTIVES

1. Learn the importance of teamwork and effective communication in achieving a common goal.
2. Strengthen the rapport and camaraderie among peers.

DURATION

3 hours (exclusive of break)

NO. OF PARTICIPANTS

Min. 100 pax (per session)

Max. 300 pax (per session)

SDC

Put your teamwork to the test in this highly engaging race! Students will be tested on their ability to communicate effectively and work together to complete a series of team challenges and emerge as champions.

Working in groups, students are to locate challenge stations within Singapore Discovery Centre and complete a variety of team-based activities. The team that completes the race with the highest score and best timing wins.

The challenges were inspired by the hard work of our forefathers and the people who helped to build Singapore, such as, the samsui women and coolies.

ORIENTATION DAY

LEARNING OBJECTIVES

1. To acquaint the students with their classmates and provide an opportunity to forge new friendships.
2. To appreciate the importance of trust, communication, and effective division of labour in maximising efficiency and producing results.
3. To foster greater innovation and collaboration within the team.

DURATION

3 hours (exclusive of breaks)

NO. OF PARTICIPANTS

Min. 1 Cohort (per session)

Max. Whole School (per session)

SDC

Specially curated for school's new intakes. Students will be tested on their ability to communicate and collaborate with their team while they complete a series of challenges.

Working in groups, students are to locate different stations within Singapore Discovery Centre and complete a variety of team-based activities.

Through these highly interactive activities, students will engage with current issues such as citizenship and sustainability as well as encounter various milestones of Singapore's development.

EDUCATORS' RETREAT

LEARNING OBJECTIVES

1. Encourage staff bonding and team building.
2. Understand the importance of National Education and learn to appreciate how far Singapore has come, celebrating her unique culture through a series of activities.

DURATION

Half-day and full-day packages available

SDC

Singapore Discovery Centre opens its doors to schools who would like to hold their retreat away from school.

Work with our programmers to plan a fun and enriching day out for your staff or book venues to conduct your own meetings and activities. Make full use of our resources, venues and the relaxing view of our lake as you work and plan.

Resources available:

- Permanent Exhibits Gallery
- Escape Room
- Laser Tag
- Paintball and more

Have a fun and engaging day at SDC with our wide range of facilities and NE resources!

SG THROUGH ART

LEARNING OBJECTIVES

1. Encourage staff bonding through an outdoor activity.
2. Appreciate our diverse cultures through experiencing the exciting world of art and murals.
3. Explore the rich history and heritage of Singapore.

DURATION

4 hours (including travelling time)

NO. OF PARTICIPANTS

40 pax

OUTREACH

Have a fun and engaging day exploring public art found at various heritage sites!

Learn more about the history embodied in some of our heritage-rich locations through the writings on the wall. The recent flourishing of murals and public art in Singapore help to tell the Singapore story in a fresh and relevant manner.

Free and easy time will also be dedicated for participants to do self-exploration of the sites and to try some of the yummy delights.

Choose 2 Venues:

- Chinatown
- Kampung Glam
- Little India

FAMILY DAYS AND CARNIVALS

LEARNING OBJECTIVES

1. Company's appreciation to their workforce and clients while encouraging social interaction.
2. Opportunity for employees to engage with each other in more enjoyable level, outside of office.

DURATION

4 hours - half day

NO. OF PARTICIPANTS

100 - 2,500pax

From corporate family day, staff appreciation day to anniversary celebration, reach out to us to bring the fun to you!

Gather the whole company for a day of fun at SDC! Add some colours to the usual work routine and give a boost to your employees' work-life balance by organising a Family Day or Staff Appreciation Day out at SDC.

SDC customizes and proposes suitable activities and entertainment to suit your needs. We guarantee a memorable day for your company filled with fun games and recreational activities, food stalls, and more!

SDC

2. Suitable for teams of 6 to 8, players put together teamwork, problem solving skills and race towards a common goal.

DURATION

1.5 hours (includes briefing and debriefing)

NO. OF PARTICIPANTS

Min. 30 pax

Max. 400 pax

Get all the excitement of an escape room and opportunities to solve puzzles while exploring the indoors and outdoors of Singapore Discovery Centre!

Through some combination of reality, fate, and randomness, you have found yourself here.

We now offer you a path towards wisdom. If you have the patience and dedication, are you up to the test?

We have left a series of clues in various sites around the NE façade of SDC. They may seem obscure and disconnected at first glance, but study them closely!

FALLEN DRAGON'S LOST TREASURE (VIRTUAL - GAME-BASED)

LEARNING OBJECTIVES

1. Appreciate Singapore's heritage and beginnings as a diverse society.
2. Appreciate the transformation of Singapore into a modern city.
3. Understand the stories and history behind street names in Singapore.
4. Recognise the importance of teamwork and problem-solving skills.

DURATION

1.5 hours

NO. OF PARTICIPANTS

Min. 20 pax (per facilitator)

Max. 40 pax (per facilitator)

DIGITAL

Fallen Dragon's Lost Treasure is an exciting fast-paced teambuilding activity which takes participants on an adventure with a thrilling storyline. Teams will race their way through culturally rich and fascinating sights of interest in Singapore in order to obtain clues to locate the hidden treasure buried under one of the many streets in Singapore.

- Interactive and game-based activities - stimulating puzzles, challenges on google maps and navigating roadblocks
- Encourages team work, creativity and problem-solving

VIRTUAL ESCAPE ROOM - FINAL BOARDING CALL (VIRTUAL - GAME-BASED)

LEARNING OBJECTIVES

1. Staying committed and united to ensure environmental sustainability in order to enhance Singapore's survivability.
2. Collaboration, communication and planning is key in achieving excellence.

DURATION

1.5 hours

NO. OF PARTICIPANTS

Min. 20 pax (per facilitator)

Max. 40 pax (per facilitator)

An unknown virus is spreading rapidly across the globe causing unexplainable changes to humans. Roleplay as an agent to further investigate the cause of the virus and develop a vaccine.

Using a game-based learning format, participants will embark on a virtual journey around the world, where their wits will be put to the test. Each team of 5 players will compete in real-time in a virtual escape room setting where participants will need to use clues in the story to solve multiple puzzles of varying formats in order to complete the mission before time runs out.

DIGITAL

VIRTUAL ESCAPE ROOM - FACELESS DANGER (VIRTUAL - GAME-BASED)

LEARNING OBJECTIVES

1. Understand the importance of the role of individuals in digital defence.
2. Discover complexities of regional security threats such as terrorism.
3. Collaboration, communication and planning is key in achieving excellence.

DURATION

1.5 hours

NO. OF PARTICIPANTS

Min. 20 pax (per facilitator)

Max. 40 pax (per facilitator)

DIGITAL

The escape of a terror network leader has got Adam, a journalist digging. He realises there is more than meets the eyes as he investigates the story and uncovers secrets to the terror network.

Using a game-based learning format, participants will work in teams of 5 to make use of clues in the story to solve multiple puzzles to escape the virtual escape room before time runs out.

COUNTER-TERRORISM PAINTBALL (GAME-BASED PROGRAMME)

LEARNING OBJECTIVES

1. Understand the importance of leadership, team work and communication.
2. Encourage participants to work together for a common goal.
3. Learn how to respond in times of crisis and reflect on their role in keeping Singapore safe.

DURATION

3 hours

NO. OF PARTICIPANTS

Min. 24 pax (per session)

Max. of 40 pax (per session)

Learn about the rising terror threats around the world, the region and Singapore.

Participants will then engage in paintball game play, pitting their skills against each other in teams, with scenarios testing their ability to be vigilant and resilient using SGSecure techniques (e.g. Run, Hide, Tell).

- Game-based learning
- Multi-tiered paintball arena
- Fosters team work and planning of tactics

SDC

OUTBREAK (WORKSHOP - CRISIS SIMULATION PROGRAMME)

LEARNING OBJECTIVES

1. Learn about Singapore's journey through the different global crises and how we managed to bounce back from these adversities.
2. Understand the importance of teamwork and problem-solving skills.
3. Improve communication effectiveness in a team.

DURATION

2.5 hours

NO. OF PARTICIPANTS

Min. 25 pax

Max. 120 pax

Singapore faces an epidemic outbreak of 3 different strains of a contagious virus and it has spread across the different regions of the country. Before it gets out of control, the participants will be racing against time to discover the cure for all the viruses while preventing further outbreaks in the community.

- Collaborative Board Game (Singapore-themed)
- Fosters team work and decision-making

BESEIGED (WORKSHOP - CRISIS SIMULATION PROGRAMME)

LEARNING OBJECTIVES

1. Appreciate Singapore's peace and not take our sovereignty for granted.
2. Understand the importance of decision-making and problem-solving skills.
3. Improve communication effectiveness in a team knowing that individual decisions could affect everyone else.

DURATION

2.5 hours

NO. OF PARTICIPANTS

Min. 20 pax (per session)

Max. 120 pax (per session)

Set during wartime, participants will need to survive through days and nights full of unexpected events. Their fate lies in the decisions they make along the way as they try to gather enough resources and avoid afflictions to successfully see the end of the war.

- Collaborative Board Game (Singapore-themed)
- Fosters team work and decision-making

OPERATION TRIPLE THREAT

LEARNING OBJECTIVES

1. Appreciate the evolving nature of security threats and understand how everyone has a part to play in defending Singapore.
2. Learn about Singapore's history from a defence-centric perspective.

DURATION

2.5 hours - 3 hours

NO. OF PARTICIPANTS

Min. 35 pax (per session)

Max. 120 pax (per session)

Embark on a self-directed game-based outdoor trail and role-play as investigators who need to decipher clues and visit historic sites to foil a bomb threat!

Participants will embark on a self-directed game-based outdoor trail and role-play as investigators on a mission to foil a bomb threat by deciphering clues and visiting four to six different historic sites that are suspected to be the possible location of the soon-to-happen bomb blast. The sites include, but are not limited to, Padang, Central Fire Station and Cenotaph. Using the clues obtained at each site, participants will learn about Singapore's defence history and the complex nature of modern security threats that demands citizens to play a more active role.

OUTREACH

Black Lake Laser Battlefield

Experience the brand-new laser tag attraction, featuring cutting-edge immersive projection mapping technologies deployed for the first time in Singapore. Gear up with your family and friends for an adventure and feel the adrenaline rush!

BOOKING INFORMATION

Prior bookings are encouraged for schools who intend to visit SDC and SNM. Please note that the Permanent Exhibits Gallery (PEG) and school programmes are very popular with students, especially during peak periods such as NE Commemorative Days and post-exams.

It is recommended that schools should enquire and book at least 1 month ahead of the intended date of visit to avoid disappointment.

For customised programmes or special events which your schools wishes to invite SDC and SNM to be your choice Learning Journey partner, a preliminary meeting should be arranged as early as possible.

Our friendly Account Manager(s) will be happy to advise you with suitable programmes and assist with the booking process. Kindly contact them to make a reservation.

Please visit SDC and SNM websites for more details on our school programmes and the latest updates on our exciting calendar of events.

For enquiries and / or booking of educational programmes, please email us at education@defencecollectivesg.com.
